FIRM RESPONSIBILITIES

Hao is assisting with schematic design. He mainly focuses on exploring different design options for the exterior façade, and interior program, and also create visual illustrations for the project.

PERSONAL PROFILE

Hao lived and studied in China, Canada, Unites States, and Japan and visited even more places around the world. Hao is an international traveler and explorer of diverse cultures. When pursuing his education at California Polytechnic at San Luis Obispo, he had the opportunity to participate in the off-campus study program in San Francisco. The experience revealed to him the housing crisis in the Bay Area.

After graduating from California Polytechnic in 2019, Hao is very excited to join the talented team at Van Meter Williams Pollack. Most especially Hao is looking forward to becoming a part of the solution to the ever-increasing housing crisis in the Bay Area.
