

## ASSOCIATE RESUMÉ

### PROFESSION

- Architect, Licensed in CA and MN
- LEED Green Associate
- ULI Member

### EDUCATION

- Washington University in St. Louis; Master of Architecture, 2009
- Washington University in St. Louis; Master of Urban Design, 2009
- The Ohio State University, Columbus, Ohio; B.S. Architecture, 2006

### FIRM RESPONSIBILITIES

Andrew contributes design and management across Urban Design and Architecture projects for VMWP's Minneapolis and San Francisco offices. He contributed design standards and master planning for 99 acres of San Francisco and 4500 housing units at the Balboa Reservoir, Rebuild Potrero, and Sunnydale sites and led the Hana Gardens senior housing building through Construction Administration. Andrew is currently working with the cities of Pleasanton, CA and Wayzata, MN to develop design standards for new development.

### PERSONAL PROFILE

Andrew believes that the potential of design is realized through the creation of sustainable, inclusive, and resilient places to live and work, and successful design works across scales from the home to the city beyond.

In addition to Andrew's experience in community design and multifamily housing, he was an adjunct professor in architecture and urban design (2010-2012) at Washington University in St. Louis. Andrew has advocated rethinking the impact of highways on urban communities as a founding member of the ConnectOakland organization and as an assistant director of City To River in Saint Louis. Andrew's hobbies include exploring cities, photography, backpacking, woodworking, and gardening.

### VMWP URBAN DESIGN EXPERIENCE

- Wayzata Design Standards, Wayzata, MN - *standards and guidelines, housing*
- Pleasanton Objective Residential Design Standards, Pleasanton, CA - *standards and guidelines, transit oriented development, housing*
