

RESUMÉ

Sara Mae Parker

Architect

PROFESSION

- Architect, Licensed in the State of California, 2010

EDUCATION

- Kansas University, Masters of Architecture, 2012
- Denmark International School. Copenhagen, semester abroad, 2003
- University of California, Berkeley; B.A. Architecture, 2004

FIRM RESPONSIBILITIES

Sara Mae Parker is a licensed architect in California with experience in housing, healthcare and hospitality projects. At VMWP Sara Mae is involved with all architectural design phases for multi-family and senior housing projects.

PERSONAL PROFILE

Born in Tahoe, raised in Davis, educated in Berkeley, Sara Mae's Northern California upbringing fuels her desire to create more housing and more types of housing in the state. She is passionate about creating senior housing environments that support residents in their pursuit of full, rich, and connected lives.

After work Sara Mae can be found in the nearest ocean, lake, river or swimming pool. She is a member of a masters women's water polo team and dances regularly for mental and physical fitness
