EDUCATION

- California Polytechnic State University, San Luis Obispo; Master of City and Regional Planning, 2018
- IAUCTB, Tehran, Iran; Master of Architecture, 2013
IAUCTB, Tehran, Iran; Bachelor of Architectural Engineering, 2011

FIRM RESPONSIBILITIES

Kimia is currently working as the Job Captain on Linda Vista and Terra Bella projects in Mountain View, California. Both projects are multi-family affordable housing developments in different stages of schematic design and design development.

PERSONAL PROFILE

Kimia has a wide range of experiences in Architecture, Urban Design, Urban Planning, Modular Design and Construction in both Iran and United States. She has worked in public and private sectors in the US and has been involved in many projects from early stages of design all the way through the construction document and construction administration. In her last position, she was a project lead working with a modular-construction company in bay area focusing on multi-family affordable housing projects. She had worked closely with consultants and engineering teams on several pre and under construction projects. Kimia is a people person, she loves flowers, music, people, art, nature and kindness, strives to send love and peace all around the world with every interaction.
