

## RESUMÉ

### PROFESSION

# Timothy Bowen

## Project Architect

- Architect, Licensed in the State of California #C32735

### EDUCATION

- University of Colorado, Boulder; BA Environmental Design

### FIRM RESPONSIBILITIES

An expert in multi-family housing, Tim has designed and built hundreds of units of mixed-use, senior, market-rate housing throughout Northern California. His favorite projects in his portfolio are community-focused affordable housing. A steady Project Architect and lead, Tim is comfortable coordinating complex projects, their teams, funding, and client relationships. Tim is looking forward to working with the talented and dedicated team at VMWP.

### PERSONAL PROFILE

As a Navy and Air Force veteran, Tim has honorably served his country, and continues to serve his community in Santa Rosa through volunteering and his church. When he is not designing housing, he is in his garden or workshop making sawdust.
