

## RESUMÉ

# Emily Axtman

Architect

### PROFESSION

- Architect, Licensed in the State of North Carolina

### EDUCATION

- North Carolina State University; Bachelor of Architecture, 2010

### FIRM RESPONSIBILITIES

For the past ten plus years, Emily has worked with non-profits, developers, communities, design teams and contractors on multi-family affordable and permanent supportive housing developments in North Carolina, Texas and Colorado. Project size has ranged from 40-150 units and between 40,000 SF-162,000 SF with budgets between \$750K-\$24MM. Emily has been involved of various phases of design including community engagement, conceptual design, schematic design, design development, construction documents and contract administration.

### PERSONAL PROFILE

Emily is guided by the Mississippian architect, Samuel Mockbee, who is quoted to have said both "Everyone, rich or poor, deserves a shelter for the soul", as well as, "It's not about your greatness as an architect, but your compassion." Emily is dedicated to using her skillset towards high-impact projects with mission-driven clients.
