

## RESUMÉ

# Omar Rodriguez

Project Manager

### PROFESSION

- Project Manager

### EDUCATION

- Polytechnic University of Puerto Rico School of Architecture, Bachelor of Architecture

### PERSONAL PROFILE

Working in residential, mixed-use, retail, healthcare, corporate, and arts & culture projects across the United States, Omar has over a decade of experience designing and developing projects as a Project Manager. While he has managed all facets of a project from early stages to plan check submittal, he excels in keeping the project phases coordinated by maintaining a consistent communication with consultants.

When he is not designing affordable homes for the people of Denver he enjoys spending quality time with his love ones.

### AWARDS

- The American Institute of Architects, chapter of Puerto Rico; Honorary Mention-History Documentation, 1998

### PRESS

Central Park West penthouse, New York; House Beautiful, 2012

### VMWP PROJECT EXPERIENCE
