

## ASSOCIATE RESUMÉ

# Lilly Wellington

IT Director / Architect

### PROFESSION

- Architect, Licensed in the State of California #C38571

### EDUCATION

- CalPoly State University, San Luis Obispo CA; Bachelor of Architecture, 2015

### FIRM RESPONSIBILITIES

Lilly leverages her 9+ years of affordable housing experience to coordinate with jurisdictions, consultants, and contractors in her primary mission to support our clients' development of affordable and supportive communities and housing. She has been involved in the development of several senior, supportive, affordable/low-income and family housing projects. When she is not directly working to develop affordable housing as a project architect, she also oversees the technological support and development of VMWP as the IT Director.

### PERSONAL PROFILE

Lilly has always loved design and the functional beauty that comes with architecture. She finds the lasting impact of space on the individual to be fascinating and strives to design a positive and meaningful experience. After interning at VMWP in 2014, she finished her Bachelor's of Architecture at California Polytechnic SLO and immediately returned to San Francisco and VMWP to resume doing what she loves in her favorite city. Outside of Architecture, Lilly's other passions include creative storytelling, costume design and fabrication, and baking.
