RESUMÉ

# Estevan Arellano

## Job Captain

**PROFESSION**

- Job Captain

**EDUCATION**

- University of Colorado, Denver; B.S. Architecture, 2022

**FIRM RESPONSIBILITIES**

Estevan is currently assisting in the transition of projects from schematic design to construction administration. Estevan is hoping to receive experience in all phases of design so that he can become a greater asset to his team and overall become a better architect. Estevan is currently on the path to his Architectural License.

**PERSONAL PROFILE**

Estevan was born and raised in Denver, Colorado. Growing up in a city that continues to evolve architecturally has inspired Estevan's passion for shaping spaces that positively impacts people and communities. Estevan has a strong commitment to client satisfaction and thoughtful design. Through hands-on experience, he has learned the importance of creating architecture that balances quality, functionality, and lasting value. He believes that each project presents an opportunity to refine his skills and deepen his understanding of the design process. Outside of the office, Estevan has a deep passion for drawing and has recently picked up photography. He also enjoys rooting for the Denver home teams whenever he gets the chance.

**VMWP PROJECT EXPERIENCE**

- Junegrass II, Thorton, CO - *affordable senior housing*
- Sugar Commons, Sterling, CO - *affordable housing*
