FIRM RESPONSIBILITIES

Sean is currently working on two project under construction; Monarch at Redwood (NFO), an 86 unit multi-family affordable housing development in North Fair Oaks and providing support to Pam Goode on Arcade Apartments, 191 family units in San Jose. Both projects have the same client and GC providing continuity, overlap and project efficiencies.

PERSONAL PROFILE

Seán is an Irish architect, with a combined passion for architecture and travel. Having completed his studies in Dublin, he has lived and worked in London, Melbourne and now settled in San Francisco with his wife and two kids.

These combined passions have broadened Seán's world view and frame of reference from both a personal and professional perspective. With this varied and well-rounded experience, Seán brings a commitment to high-quality design and the environment with a keen focus on community development and affordable housing.

He has strong design skills and the ability to lead production teams from early design phases through construction documents and on-site supervision.

Outside of the office Seán enjoys spending time with his family enjoying the outdoors and in quieter moments, reading, drawing, and exercising when possible.
