RESUMÉ

Jason Castillo-Gonzalez

Job Captain | Designer

PROFESSION

- Job Captain | Designer

EDUCATION

- California College of the Arts, Bachelor of Architecture, 2022
- Community College of San Mateo, 2017

FIRM RESPONSIBILITIES

Jason is one of VMWP's strong job captains/designers who has been with VMWP four years now and recently completed his first project, Veteran's housing at the VA Campus in Menlo Park. Jason is adept at all aspects of a project from schematic design through construction with the varied skills for renderings and construction documents alike. He engages with many projects throughout the office and provides support where needed, while expanding his own responsibilities. Jason is dedicated to his career and on path to his Architectural License in early 2027.

PERSONAL PROFILE

Jason was born and raised in the Bay Area. His passion for providing and designing affordable housing comes from his desire to be creative and to work toward collective solutions enhancing the built environment. He sees the value in listening and understanding various views and stories people experience throughout their life, which molds our shared communities. In his free time, Jason enjoys training in Muay Thai and Jiu Jitsu while developing his skills on the saxophone.
