FIRM RESPONSIBILITIES

Pam has led many permanent multi-family supportive housing developments, addressing the needs of each unique population to create homes for families, veterans, and seniors transitioning from homelessness. Through design collaboration with clients, Pam believes that incorporating health-focused design principles and providing enhanced services create a restorative environment for residents and better community overall. Pam is currently serving as a Project Architect on these affordable housing projects: Monarch (NFO) Apartments in North Fair Oaks and Arcade Apartments in San Jose.

As Prinicipal, Pam focuses on sustainable and resilient building practices and works to integrate best practices into VMWP's project design.

PERSONAL PROFILE

While not at work, she enjoys time with her family, spending as much time outdoors hiking, running, biking, or sitting in the sun.
