

## RESUMÉ

# Yaner Chen

Designer

### PROFESSION

- Designer

### EDUCATION

- California Polytechnic State University, San Luis Obispo, CA  
Bachelor of Architecture, 2019

### FIRM RESPONSIBILITIES

Yan is currently assisting with design development documents of a mixed-use affordable housing project

### PERSONAL PROFILE

Yan was born and raised in Zhuhai, a coastal city with a diverse culture in China. She is passionate about architectural designs that focus on sustainability and create an interactive experience. During her undergraduate study in California Polytechnic San Luis Obispo, she had the opportunity to participate in a three-month study abroad program in Tokyo, Japan, where she experienced and studied traditional and contemporary aspects of dwelling and urbanism. Outside of work Yan loves traveling and exploring different local cultures and unique architectural expressions.
